25X1 [] Doug Baldwin, in the office of Senator Clifford P. Hansen, called to ask if we could provide any information of an unclassified nature on the recent press allegations to the effect that the Soviets supplied nerve gas to Nasser for use in Yemen and elsewhere. After checking with [] I advised Baldwin that, as he had been told by 25X1 State Department, the evidence was not conclusive on this subject and there was little that could be said of an unclassified nature. I did point out, however, that "nerve gas" was not particularly difficult to make. Baldwin said under the circumstances he felt that they would do nothing on this at least for the time being.

25X1 [] Showed to Robert Michaels, House Appropriations Committee staff, a copy of the OCI memorandum on the Chinese nuclear test. Michaels read the memo and returned it to me thanking us for keeping him informed.

25X1 [] Left with William Darden, Senate Armed Services Committee staff, a copy of the OCI memorandum on the Chinese nuclear test. Darden retained the copy for possible future reference.

25X1 [] Showed to James Kendall, Senate Preparedness Investigating Subcommittee staff, a copy of the OCI memorandum on the Chinese nuclear test. Mr. Kendall read the memo and returned it to me.

25X1 [] Received a call from John Jackson, now on the staff of the Washington office of the Commonwealth of Massachusetts. Jackson has received another letter from [] (Jackson had referred 25X1 previous correspondence from [] to us when he, Jackson, was a member of Senator Saltonstall's staff.) Jackson has offered to get more information having to do with the Czechoslovakia Chamber of Commerce if we are interested. We will check on this and be back in touch with Jackson.

25X1 [] Talked with Representative Frank Bow who indicated he had a discussion with Representative Lukens in connection with his letter to the Agency asking for information on the NSA matter. Mr. Bow indicated he had talked to Lukens and felt that this situation was under control. He did ask if I would send Mr. Lukens a bland letter. I answered in the affirmative. Mr. Bow said he would so advise Lukens.
